ORDER:

The posts of Computer are filled up by recruitment by transfer from Junior Assistants belonging to the Tamil Nadu Ministerial Service in the Department of Public Health and Preventive Medicine. The persons who were appointed by transfer as Computer from the post of Junior Assistant opt to go over to their regular line as and when they get their promotion in their regular line i.e. in Tamil Nadu Ministerial Service as there is no promotional avenue as of now for the post of Computer. Further, the post of Computer is now outside the purview of the Tamil Nadu Public Service Commission. As such, the Director of Public Health and Preventive Medicine has requested the Government to bring the post within the purview of the Tamil Nadu Public Service Commission in order to get candidates with better calibre from open market and to issue amendment to adhoc rules.

2. After careful examination, the Government have decided to bring the post within the purview of the Tamil Nadu Public Service Commission. The Tamil Nadu Public Service Commission has stated that it has no remarks to offer to bring the post of Computer within its purview and to issue amendment to adhoc rules. The Commission has however requested to issue executive orders bringing the temporary post of Computer within the Commission purview and classifying the post as 'Technical' for the purpose of direct recruitment.
3. Accordingly, the Government direct that the post of Computer be brought under the purview of the Tamil Nadu Public

Service Commission and classified as "Technical" for the purpose of direct recruitment.

4. Necessary amendment to the Tamil Nadu Public Service Commission regulations 1954 in this regard, will be made separately by the Government in Personnel and Administrative Reforms Department.
