The Director of Medical Education in his letter cited has stated that the inhaler "BRICANYL-MISTHALER" and "Asthalin Inhaler" facilitate administration of the smallest amount drugs without side effect to Bronchiat-Asthama patients who suffer in the disease lifelong. The side effect of the drugs which may occur with oral administration will be minimised very much by using inhalers. It may be necessary for the patients to use these inhaler sometimes daily depending upon the state of diseases. The inhaler is not an apparatus or an instrument and they contain sufficient doses of medicine in Vapourised form. They are carried in the pockets often by Asthamatic patients. The inhalers are essential for the treatment of Bronchial Asthma, which is a Chronic debilitating disease. He has therefore requested the Government to issue orders that the cost of "Bricanyl Misthaler" may be treated as admissible for the purpose of reimbursement of medical claim.

2. The Government after careful examination accept the recommendation of the Director of Medical Education and hereby direct that the cost of "Bricanyl Misthaler" may be treated as admissible for the purpose of reimbursement of medical claim. Necessary corrections may be made in the list of inadmissible medicines.

3. This letter issues with the concurrence of Finance Department vide its U.O.No.98754/Sal.96-1, Dt. 12.12.1996.

Yours faithfully,
