 - 4) From the Director of Medical Education letter No.80295/E1(1)/2002, dated 22-10-2002.

In continuation of the Guidelines issued in the Government references first and second cited, I am directed to issue the following further instructions in this matter:-

- (i) The condition that counselling for inter Directorate transfer be held once in a year need not be applied for the post of Nurses.
- (ii) Counselling for the post of Nurses for transfer and promotion shall be conducted jointly by Director of Medical Education and Director of Medical and Rural Health Services.
- (iii) The staff Nurses who have been recently promoted and posted and who have not joined duty in the places where they have been posted, be permitted to attend the counselling.

2. Further, in respect of transfer, though the station seniority is the criteria, for priority for transfer Counselling, there may be chances of Medical officers working within the Chennai institutions opting for a vacancy at premier institutions within Chennai itself. In such a situation, priority shall be given to senior most Medical Officer as per CML seniority rather than station seniority.
