ORDER:

In G.O.MS.NO.211, Health & Family Welfare Department dt.
15.3.94 the Government created the redeployment of the one post of
Statistical Assistant and one post of Junior Assistant-Cum-Typist
for the establishment of Goitre Control Cell in the Office of the
Director of Public Health & Preventive Medicine.

2. Now the Director of Public Health & Preventive Medicine
has reported that the Technical Officer post is highly essential
for effective functioning of the Goitre Control Cell. The Government
of India is insisting upon having a full fledged Goitre Control Cell
for the implementation of the Iodine Deficiency Disorder Programme.
The entire expenditure relating to Goitre Control Cell is borne by
Government of India as reimbursement. In order to ensure the effective
implementation of the Iodine Deficiency Disorder Programme and to
achieve the objective of Iodine Deficiency Disorder under 15 point
programme in Tamil Nadu, the Director of Public Health & Preventive
Medicine has requested Government to accord sanction for the creation
of post of Technical Officer for Goitre Control Cell.

3. Sanction is accorded for the creation of the one post of
Technical Officer in the Grade of Health Officer in the Office of
the Director of Public Health and Preventive Medicine, Madras, in the
scale of pay of Rs.2500-75-2800-100-4200- for a period upto 30/6/1996
from the date of filling up of the post by redeployment of one
Reserve Health Officer attached to the Directorate.

4. The incumbent of the post is eligible to draw in addition
to pay, DA, HRA and other allowances as per rules and orders in force
from time to time.

5. The expenditure shall be debited to "2210—Medical and Public
Health—06 Public Health—101. Preventive and Control of Diseases—
Schemes in the VIII Five Year Plan—III Centrally Sponsored—SE.
